WE'RE GOOD AT WHAT WE DO

Microsoft Certification - We are recognised Microsoft Small Business Server Specialists and Microsoft Authorised Educational Resellers.

Experience - We have been supporting businesses in the Dublin region for nearly 17 years.

Quality - We work to incredibly high standards and offer a consistently professional service.

Flexibility - We provide the flexibility of a small IT support company with the expertise of a larger one.

Value - We give our clients the IT support they deserve at a rate they can afford. We also have a list of accredited vendors who can help save money on computer hardware, software and peripherals.

Choice - Clients can suit their individual needs by choosing support options from a list of service level packages.

'Always putting the customer first'

Radleys is an IT Support and Consultancy company providing reliable, innovative IT solutions for the changing needs of today's businesses and schools

www.radleys.ie

EDUCATION I.T. SUPPORT

Over the last number of years grant aided funding for IT hardware and software has helped schools to grow their IT infrastructure to new levels however Radley's recognises that schools have limited resources and budgets to manage these setups, particularly in light of recent budget cuts. Supporting, trouble shooting and maintaining this IT setup is an unwanted headache for school staff.

For this reason we provide a range of tailored support packages to meet the varying IT support and maintenance needs of schools of all sizes.

Radley's experience of working closely with schools means we know what schools are looking for when

it comes to IT support - a company that can provide local, reliable, timely, trustworthy and cost effective IT support, and sensible advice in all matters relating to IT.

Radley's is a Microsoft Authorised Educational Reseller (AER) as well as being a partner of the leading hardware brands such as HP, Toshiba, Symantec etc. ensuring the best possible price for your needs.

Radley's also offer a free site survey for all schools, whereby we will visit your school, survey your equipment and then prepare a recommendations report on your current setup.

Let us be judged by our clients who Radley's have been proudly serving for over 20 years

WE WILL GUARANTEE A 40% DISCOUNT TO BUSINESSES AND SCHOOLS ON YOUR EXISTING I.T. CONTACT
